Be careful with new employment contracts!

The minimum wage meat industry is coming! Which is good! **But beware:** what's the story with your allowances – are they going to be dropped now?

Our tip: don't sign a new employment contract, let NGG check it for you first! NGG members get help and support free of charge.

A number mustn't be done on our new collective wages!

Money isn't everything!

Negotiations continue on night and overtime pay, holidays, working hours and Christmas bonuses!

It pays to get involved:
more members means more strength!
