

Fair and secure jobs in the meat industry!

HAMBURG, 3. Juni 2020

Dear colleagues,

Coronavirus is a worry for us all! The meat industry is particularly affected. The following is clear: Conditions in the meat industry, rather than people, are the reason for the virus spreading. The living and transport conditions of employees having to live in mass accommodation are one main reason.

Employers need to accept responsibility: **Health is the most important thing!**

The NGG is fighting for a meat industry without exploitation and contracts for services (Werkverträge). We want **fair** and **well-paid jobs** for ALL employees in the industry!

Which is why we are demanding that contracts for services be banned in the meat industry!

We demand from employers:

- › Look after the health of ALL employees!
- › Create complete transparency!
- › Ensure healthy working environments!

Get involved!

Support the union and the push for

- › secure jobs!
- › healthy jobs
- › fair employment!
